

I was 6 year old when I first entered this boarding school. Yes of course at the beginning I missed my daddy alot because I never like being away from him.

But as years passed I got used to. The Sisters here helped me alot in my studies, took care of me and gave me motherly love.

At the age of 16 when I finished my 10th grade, I went to live with my Aunty. I took admission for grade ~~XI~~ XI in the college. But life was not so easy to live. I faced so many difficultives specially financially. So again I approached Sr. Zelia to allow me to stay at Premdan to finish my Grade XII from my school. Sister was very kind to take me back.

At Present I am studying hard. My final Exams are in the month of February 2017. After my XII my aim is to become an Interior Designer.

I am grateful to Mother Felicity, Sr. Zelia and the Sisters in the boarding for the love and care. My Sincere thanks to my sponsor who helped me to complete my education.

God Bless
